

Student Opportunities

Poster –
present your research
to the sol-gel community!

Sol-Gel Science Slam –
make your research memorable
and be the best slammer!

PhD and Grad students wanted

**International
Sol-Gel
Conference**
Next Generation
St Petersburg, Russia
August 25-30, 2019

Conference fee waiver contest – become one of 50 lucky winners

Participate in the Conference fee waiver contest by sending your poster session abstract, CV and motivation letter to sol-gel-research@corp.ifmo.ru

The Next Generation style

Experimental workshops: one day – one brand new skill

Science communication workshop: get to know how to tell everyone about your research

Leading scientists together with young researchers: meet leading scientists in the field and learn the secrets of building a successful career

“Like a Local” tour: enjoy the city & meet peers during a specially organized free event

Hot topics: learn about new trends in the sol-gel world, from space to machine learning

Career fair: find new industry or academic internships

Please submit your abstract before **March 1, 2019**
